- Budget:  $\frac{2}{3}$  spent
- REPS clarify with REACH teachers if they:
  - a. Got their wish list items/reimbursement
  - b. Noetic Math Funds

\*Left over funds may be used towards a speaker next year

#### **2. Kerri Leuschel**

- SEL- Social Emotional Learning
- a. Focus Groups for parents throughout the community
- b. Student Survey
- PTA parent council
  - a. Executive Functioning skills
  - b. Northwestern Presentation
- Grade appeals
  - a. 5th grade: notified by email April 14th  
(did not use IAR testing)
  - b. 2nd grade: will be notified after Spring MAP testing, early May  
(also used additional written piece)
  - c. 3,4,6 and 7th grade: will be notified July 1st  
(will use IAR data, needs to wait until available)
- New to REACH meeting will be in early June and again in late August (date TBD)

#### **3. Mr. Dalhman - 8th Grade REACH ELA teacher at Sandburg**

- Passion Project - The Passion Project is a year long 8th grade project. The students can choose any topic they are passionate about and that they would like to learn more about.

#### **4. Ms. Bolur - 7th Grade Algebra teacher**

-Math Team - This is run at Bryan Middle School for 7 and 8th Graders. It is run as a club by teachers and is stipend. Ms. Bolur has a lot of resources and is more than happy to pass these along to other interested middle school teachers.

\*The club sounds really great and Bryan has won some competitions.
